

ADDENDUM NUMBER 1

INVASIVE SPECIES REMOVAL AT COUNTY GROUNDS PARK

Site #4230

9480 Watertown Plank Rd,
Milwaukee, WI 53226

Project Number: 0515-17803

Date of Addendum: January 9, 2017

Proposal Due Date: January 18, 2017

This Addendum to the Request for Proposal is issued to modify, explain, or correct the original documents, dated December 28, 2016, and is hereby made part of the RFP Documents.

RFP Document

1. The RFP mentions in Task 1 that the consultant should “remove all invasive species from the park”. A clarification on the definition of “remove all invasive species from the park”:
 - a. 100% of all species shown on the point map (Appendix B-1) should be removed from the park.
 - b. 100% of all species shown on the polygon map (Appendix B-2) should be removed from the park, except for reed canary grass and crown vetch. The reed canary grass and crown vetch should be at least 95% removed from the park.
 - c. The proposal should explain how these invasive species will be reduced to 100% and 95%.
2. On page 6 of the RFP under Section C: Proposal Content, Letter I: Constant Effort – It references an Attachment 6. There is no Attachment 6. The reference should be for Attachment 2. However, the consultant may provide this information in a matrix/spreadsheet other than the template provided in Attachment 2. Furthermore, the selected consultant will eventually need to fill out the “B-1” form located on pages 34 and 35 of the RFP which also provides this information.
3. Attachment 3: Consultant Proposal Form – This page references a 25% DBE participation requirement. There is no DBE or TBE participation required for this project. The 25% mentioned on Attachment 3 should not have been included.
4. Appendix A: Habitat Restoration Landscape Plan for Milwaukee County Grounds NE Quadrant – This document references maps that are not included in the report. The most recent update to this report and a map can be found on the County’s website at: <http://county.milwaukee.gov/ConstructionBidsandR23075/RFP-Invasive-Species-Removal-at-County-Grounds-Park.htm>
